

JUDGING

There must be three judges for each class, except in exceptional circumstances, whereby the Society should notify the Kennel Club as soon as possible. Each judge will mark all three sections of the Judging Criteria as follows:

a. Programme Content - 10 marks

- (1) The programme content conforms to the definitions for Heelwork to Music or Freestyle and should be varied, with no excessive repetition of movement, and content being appropriate to the routine.
- (2) Movement should be appropriate to the structure and conformation of the dog.
- (3) The movements of the dog should have a greater impact than those of the handler.
- (4) Degree of difficulty of movements should be taken into account.

b. Accuracy and Execution of Movement - 10 marks

- (1) Movements including heelwork are accurately and smoothly executed.
- (2) The dog should work in a natural and willing manner.
- (3) The dog should respond promptly and appropriately to the cues given (including use of props).
- (4) Bearing and deportment of the handler is appropriate and should be appropriate to the routine; dog and handler should work as a team.

c. Musical Interpretation - 10 marks

- (1) Interpretation of the rhythm, phrasing and timing should be apparent; the choice of music should suit the team.
 - (2) Choreography should be apparent, flowing and not a series of disjointed moves. The routine should include balance, structure and making best use of available space.
 - (3) Primary emphasis of musical interpretation should be on the dog's movements although the handler should/may be expressive.
 - (4) Handlers' dress and any props used should be suitable and applicable to the interpretation of the routine.
- d. In the event of dogs obtaining equality of marks in Heelwork to Music competitions, the Accuracy and Execution of Movement mark will decide the result. In a Freestyle Competition, the Musical Interpretation mark will decide the result. Where there is still equality of marks the order shall be decided at the discretion of the lead (head) judge.
- e. When assessing a routine the judges should take into account the following score structure:-
- 0 – 1.9 Not yet ready on today's performance.
2.0 – 3.9 Not yet competent at this level.
4.0 – 5.4 Working at level (with scope for further improvement).
Points will be awarded above this level.
5.5 – 6.9 Correct level for class (routines are good and competent).
7.0 – 8.9 Highly competent (routine ready to work at next level).
9.0 – 10 Outstanding (excellence, meets and exceeds the criteria).

f. If the overall score is below 55% (16.5 marks), the class points will be withheld for that routine. There shall be at least four awards on offer in every class and printed award cards and rosettes may be given but the associated points would be withheld.

g. The dog should work in a willing and natural manner. Excessive noise or barking must be penalised and a maximum of 4 marks can be deducted from the overall score at the judge's discretion.

h. If a dog leaves the ring and ceases working it should be eliminated from the competition but allowed to continue and complete its routine, as long as the music is still playing. If a dog accidentally steps outside the ring during a routine it will not be penalised.

i. In the event of the handler physically disciplining the dog in the ring, the lead Judge must eliminate the dog from further competition in the class.

j. Any unnecessary physical assistance must be penalised with points being deducted from the accuracy and execution of movement section.

k. Any activity that may be injurious to the dog will result in an elimination.

l. Judges must eliminate a dog from the ring if it fouls in the ring.
