DEFINITIONS OF CLASSES.

1. Official Categories There are two official categories, Heelwork to Music and Freestyle. Each category has equal status, and the following class structure applies to both categories:-

a. HEELWORK TO MUSIC—The principle element of the Heelwork to Music category will be the dog working off lead in the heel work position, on the left or right hand side of the handler, facing forward or backward, across the front or back of the handler, moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heel work.

b. FREESTYLE— A freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

2. In the following definitions of classes all points must be gained in official classes only.

NOTE The points system started 01/01/07 and points must not be claimed retrospectively.

3. The following points will be awarded in all Kennel Club standard classes.

1st place—10 points, 2nd place—6points, 3rd place-4 points, 4th place-2points.

On entrance to the next level of classes, the points will return to zero.

4. OFFICIAL CLASSES. For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category. At the discretion of the competition organisers dogs may be entered in eligible classes in both categories, however a different routine must be worked.

A. Starters. For dogs and handlers which have not gained 14 points or more in official starters classes at Kennel Club licensed Heelwork To Music competitions.

B. Novice. Open to dogs or handlers which have gained 14 points or more in official starters classes at Kennel Club licensed Heelwork To Music competitions.

C. Intermediate. Open to dogs which have gained 16 points or more in official novice classes at Kennel Club licensed Heelwork To Music competitions.

D. Advanced. Open to dogs which have gained 20 points or more in official Intermediate classes at Kennel Club licensed Heelwork To Music competitions.

5. A dog cannot be entered in the same class more than once.

6. A dog must only be entered in a class for which it is eligible in each category.

7. Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and printed in catalogues, only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follows; HTM St., HTM N., HTM I. for the different classes of Heelwork to Music. FS St., FS N., FS I. for the different classes in Freestyle. Once a dog has gained 24 points in

Advanced classes it will be entitled to have HTM A or FS A after its name as appropriate.

8. Excellent Qualifications. If a first place has been won at a particular level, when the required level of points have been gained the dog will also be awarded an excellent qualification and can use the title "Ex" after its class title, such as HTM St Ex.

9. All dogs must be in possession of a Kennel Club Heelwork to Music Record Book detailing the points gained and where each award was gained. It is the handlers responsibility to keep a full and accurate account of the points their dog is awarded.

10. Qualifications obtained prior to 1st July 2002. Handlers who have entered demonstrations prior to 1st July 2002 and have previously been accepted into classes higher than Starters must enter licensed competitions at the level and in the category for which they previously qualified.
