Excessive barking must be penalised and a maximum of 4 marks can be deducted from the overall score at the judge's discretion. This is the maximum to be deducted by each judge and it should be adjusted accordingly.

In the event of dogs obtaining equality of marks in Heelwork to Music competitions, the Accuracy and Execution of Movement mark will decide the result. In a Freestyle Competition, the Musical Interpretation mark will decide the result. Where there is still equality of marks the order shall be decided at the discretion of the lead (head) judge.

MUSIC

The duration of the routine should be a maximum length as detailed below:

Starters maximum time limit up to 2 1/2 mins

Novice maximum time limit up to 3 1/2 mins

Intermediate maximum time limit up to 4 mins

Advanced maximum time limit up to 4 mins

An over-run of 5% is permitted, but 2 marks will be deducted from the final score for any time taken in excess of this. The routine starts when the music begins and ends when the music finishes.

Each handler should provide their own music, which should be of a high quality. The handler should provide a back-up copy of the music.

If the music stops during a routine the competitor must be given an opportunity to complete the routine. The handler's back-up music may be used and/or alternative equipment, if this was the reason for failure. The Judges should continue marking from the point at which the music stopped. If the competitor chooses to withdraw from the class, no marks will be awarded.

PERFORMANCE RULES

- a) No person shall carry out punitive correction or harsh handling of any dog at any time within the precincts of the competition.
- b) Food/training aids shall not be carried in the ring or given to a dog whilst being judged.
- c) Dogs may only wear a collar, which may be decorated
- d) Props appropriate to the routine may be used. The use of firearms is prohibited nor must any simulated gunshot be used.
- e) No activity shall be conducted which may be injurious to the dog.
- f) If a dog fouls in the ring, the competitor must stop immediately and the judges must exclude the dog from the ring.
- g) If a dog leaves the ring and ceases working it should be eliminated from the competition but allowed to continue and complete its routine, as long as the music is still playing. If a dog accidentally steps outside the ring during a routine it will not be penalised.
- h) Once a dog has entered the ring to compete, no further practice may be carried out.

- i) The decision to withdraw is entirely at the discretion of the competitor, however, a competitor may not withdraw once a routine has been completed and scored.

ELIGIBILITY AND SCHEDULE OF CLASSES

DEFINITIONS OF CLASSES

1. HEELWORK TO MUSIC - The principle element of the Heelwork to Music category will be a dog working off lead in the heel work position, on the left or right hand side of the handler, facing forward or backward, across the front or back of the handler, moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heel work.

2. FREESTYLE - A Freestyle routine will be the dog working off lead and contain movements in any position. Heel work as described above is acceptable although such movements must not exceed one third of the routine.

3. In the following definitions of classes all points must be gained in official classes only.

NOTE The points system started 01/01/07 and points must not be claimed retrospectively

4. The following points will be awarded in all Kennel Club standard classes:

1st place: 10 points, 2nd place: 6 points,

3rd place: 4 points, 4th place: 2 points

On entrance to the next level of classes, the points will return to zero.

5. Official Classes. For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category. At the discretion of the competition organisers dogs may be entered in eligible classes in both categories, however a different routine must be worked.

6. A dog cannot be entered in the same class more than once.

7. A dog must only be entered in a class for which it is eligible in each category.

8. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of entries shall be counted when entering any class.

9. Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and printed in catalogues; only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follow: HTM St., HTM N., HTM I. For

different classes of Heelwork to Music. FS St., FS N., FS I, for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM.A or FS.A after its name as appropriate.

11. All dogs must be in possession of a Kennel Club Heelwork to Music Record book detailing the points gained and where each award was gained.

It is the handler's responsibility to keep a full and accurate account of the points their dog is awarded.

12. Qualifications obtained prior to 1 July 2002. Handlers who have entered demonstrations prior to 1st July 2002 and have previously been accepted into classes higher than Starters must enter licensed competitions at the level and in the category for which they previously qualified. Thereafter, once a qualification for class advancement is achieved, further entries must be made in accordance with these Regulations.
